

# Autism Research

Colorado State University's Temple Grandin Equine Center in partnership with Hearts & Horses Therapeutic Riding Center is conducting a research study to learn about the benefits of occupational therapy in a clinic and in an equine environment for youth with autism. We are looking for participants who meet the following criteria:

- 6-13 years of age
- Diagnosed with autism
- Also have symptoms of a psychiatric condition such as anxiety, depression, or ADHD
- Experience irritability

- ❖ 1 Year Study
- ❖ 10 Weeks Free Occupational Therapy in a Clinic Environment
- ❖ 10 Weeks Free Occupational Therapy in an Equine Environment
- ❖ \$90 Amazon Gift Card Compensation
- ❖ Online Surveys
